

Support Team Seneca's CN Tower Climb for United Way

Published 3 days ago by [Jenifer Sibdhannie](#)

Team Seneca will climb **1,776 steps** at the CN Tower and we hope you will support us. Together, we'll raise funds to support **United Way Greater Toronto** and help those in need across our community.

Many people in the GTA are struggling with the high cost of living, housing and food insecurity. **Your support will help fight poverty and connect 1.8 million people** to essential services like food, shelter, mental health support and employment resources.

Team Seneca's goal is to raise \$6,000 at the ClimbUP event on Saturday, Nov. 15. Help the team reach their goal by **supporting a climber**.

For more information about the ClimbUP event, contact united.way@senecapolytechnic.ca.

Let's make a difference together!
