

# Jan 26 Classes move Online! [Updated]

Published 6 days ago by [David Trinh](#)

---

## ☒ Weather Update – Important Class Information

Due to severe weather conditions, all classes (evening as well) will move **online wherever possible**.

Labs that cannot be transitioned to an online format will need to be **cancelled**.

Please ensure you communicate these updates to your students regarding:

- The shift to online delivery, or
- Any lab cancellations, as applicable.

Thank you for your cooperation and understanding.
