## Assessments

Reminder: Always use Seneca provisioned tools (i.e., Learn@Seneca, OneDrive, SharePoint, your Seneca email) when collecting and/or storing student's identifiable personal information. ITS support is available to faculty using Seneca provided tools.

In-class Activity	Alternative Activity	Tools
In-class Test or Quiz	Online test or quiz	<a href="#">Creating a Test</a> <a href="#">Copying a Test</a> <a href="#">Setting Up Accommodations</a> and <a href="#">Setting Exceptions for Tests and Assignments</a>  Accommodations allow for students to submit work past deadlines or receive extra time for timed tests. These accommodations impact all due dates and/or timed activities. Exceptions are specific to an assignment and allow the instructor to change the due date, visibility dates, or number of attempts for a specific student. Students can view changes such as extensions in their calendar.
Final Exam	Online exam	<a href="#">Creating a Test</a> <a href="#">Copying a Test</a> <a href="#">Setting Up Accommodations</a> and <a href="#">Setting Exceptions for Tests and Assignments</a>  Accommodations allow for students to submit work past deadlines or receive extra time for timed tests. These accommodations impact all due dates and/or timed activities. Exceptions are specific to an assignment and allow the instructor to change the due date, visibility dates, or number of attempts for a specific student. Students can view changes such as extensions in their calendar.
	Online assignment incorporating critical thinking/ applied questions	<a href="#">Creating an Assignment</a> <a href="#">Using Blackboard Annotate</a>
