

Teaching Online Series of Nutshells – Part 2

Published 10/19/2020 by [Ashley Ribbel](#)

Developed in the fall 2020 semester.

The Teaching & Learning Centre Nutshells are a series of quick, self-paced, online professional learning modules for faculty. Each Nutshell will take less than 30 minutes to complete. The Nutshells will introduce a different topic each week and provide faculty with strategies to consider in their practice.
