

Tools and Resources

Published 11/4/2020 by [Anh Lam](#)

If you are looking to develop your course in a Hybrid or Online mode of delivery, The Teaching & Learning Centre has all the resources you need to get started.

New to course design but are not sure where to start? A good first step is to review [Course Design](#) where you will find a variety of resources that are a key part of the design process.

The [Digital Toolkit](#) is a great resource to guide you through popular tools used by Seneca faculty and students to increase engagement and collaboration in teaching and learning.
