

HR Connects Gathers 150 Students

Published 11/5/2020 by **Anonymous**

The School of Leadership & Human Resources ran its 19th annual HR Connects: Industry Networking Event on March 5th. With approximately 150 students in attendance, this networking event for HR students hosted 62 HR professional guests, many of them were Seneca alumni returning to mentor and share their experiences. Students were given an experiential opportunity to learn outside the classroom, to connect and network with HR professionals from various HR functional areas and gain further appreciation for the field of human resources. The HR Connects Event was again another great success for our HR students!
