

Faculty Profile - Marie Tu Doan

Published 11/6/2020 by [Anonymous](#)

Marie Tu Doan joins Seneca after working in both academic and industrial fields in Europe, Asia and North America. With a PhD from France's École Polytechnique. Doan has successfully implemented a number of innovative business solutions leading to million-dollar savings and development in various companies, including Lafarge Holcim, one of the largest cement producers in the world, where she worked in supply chain, strategy and business analytics. Doan has been Chair of the School of Management, Accounting, Finance and, since 2004, has taught business courses in France (Paris-Sorbonne and D'Évry Val-d'Essonne), Vietnam (Hoa Sen) and Canada (George Brown, Sheridan and Seneca).
