Mandatory Training Guide

Creating Accessible Documents

All employees should be knowledgeable on how to create, provide and receive information and communications in ways that are accessible for people with disabilities. Whether you create flyers, letters or learning resources, this guide is for you.

Websites

AODA

Accessibility for Ontarians with Disabilities Act

IASR

Integrated Accessibility Standards Regulation

Ministry of Economic Development, Employment and Infrastructure

For information about the standards related to the AODA

Accessible Digital Office Document (ADOD) Project

This link is another excellent resource on how to create accessible documents.

National Center on Universal Design for Learning

The National Center on Universal Design for Learning supports the effective implementation of UDL by connecting stakeholders in the field.
