

# Learning Modules

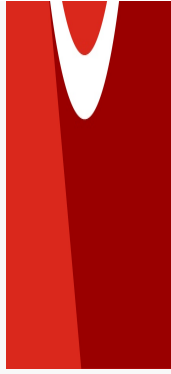

Published 11/26/2020 by [Ashley Ribbel](#)

These modules are designed to help faculty teaching in degree programs design, develop and deliver courses at an Honours Bachelor degree level. It is recommended that you complete the modules in order.

Download the faculty guide for a full PDF version of the content: [Resources](#)

Additional information on course design, teaching and assessment may be found in [The Teaching & Learning Centre](#) space.
