Essilor Canada is removing barriers and helping Seneca students see better.

Seneca is proud to partner with Essilor Canada on a new program set to launch in fall 2021 called, "See more, be more."

Seeing well is crucial to being able to learn, work and interact with the world around us. One-third of the global population lives with uncorrected poor vision and its consequences. Together with Essilor, Seneca would like to change that, one person at a time.

"Essilor's mission is to eradicate poor vision, with a focus on young people who do not have access to adequate insurance coverage for regular examinations or updated eyewear," explains Simon Robert, Essilor's Senior Director, Group Mission and Public Affairs. "We have been supporting Seneca students for well over a decade now – and this is just one more way we are able to give back."
