

Employee baby photos raise money for We Love Our Students Month

Published 2/3/2021 by [Caterina Ventrella](#)

This year marks Campaign for Students' 10th Anniversary and with it, an opportunity for our employees to impact a student's life like never before. This year, **our goal is to raise \$175,000 by Friday, Feb. 26**, to support our students who continue to grapple with the fallout of COVID-19.

On Tuesday, employees gathered virtually to kick-off We Love Our Students Month with an employee baby photo guessing contest.

Congratulations to our winner, [Cindy Fong](#) who earned a \$100 Amazon gift card after guessing an impressive 23 of 24 baby photos correctly! Individuals who missed the live event and want to put a name to a (baby) face can [view the event recording here](#).

All proceeds from the event will support [Seneca's COVID-19 Relief Support Bursary](#) providing financial aid to students struggling with job loss and living costs during the pandemic.

Throughout February, be sure to check-in with the Advancement and Alumni space often for updates on ways to financially support our students and participate in fun virtual events.
