Mentimeter is available to all Seneca employees and students. Mentimeter allows you to build interactive presentations with an easy-to-use online editor. You can add questions, polls, quizzes, slides, images, GIFs, and more to your presentation to create fun and engaging content. Activate your account at mentimeter.com/join/seneca.

To learn more about how you can use Mentimeter in your classes, see the [Mentimeter at Seneca](#) article from the **June 2020 issue** of the Academic Newsletter.

Mentimeter* information is also available in Seneca's [Educational Technology Tool Finder](#).

As you use Mentimeter with your students, encourage them to use it whenever they give presentations.
