The winner of last edition's Acronyms Quiz is **Ash Patel**! He used the 15 letters in the 9 acronyms mentioned in the [Educational Technology Advisory Committee Update](#) article (in the [Spring 2017 issue of the Academic Newsletter](#)) to spell a 14-letter word: reflectionless.

Honourable mentions go to **Karen Craigs** (who spelled a 13-letter word: tessellations) and **Kathryn Klages** for her creative word choice.

Thanks to everyone for playing!
