

ETAC: Call for Members

Published 9/7/2018 by [Ashley Ribbel](#)

in the **September 2018 issue**

As a standing committee of Academic College Council, the Educational Technology Advisory Committee (ETAC) provides regular reports to and receives feedback from the Council on matters pertaining to the use of technology to enhance student learning and Seneca's digital learning strategy. The ETAC also serves as an expert reference group to ITS and academic leaders, providing insight, input and feedback on initiatives, pilot projects, policy and processes about the use of educational technology tools at Seneca. For more information, visit the [ETAC Terms of Reference \(PDF\)](#).

We are seeking two faculty members, one to begin in September, one to begin in January. Members will be selected based on their innovative ideas, a solid use and understanding of educational technology, creativity and the ability to apply their thinking on an institutional level.

If you are interested becoming a faculty member of this committee, please send a letter of interest, stating how your experience aligns with the profile above, to Ashley Ribbel at Ashley.Ribbel@senecacollege.ca by 5:00 p.m. on **Friday, September 21, 2018**.
