

Digital Literacy Challenge

Published 12/3/2018 by [Ashley Ribbel](#)

in the **December 2018 issue**

Digital Literacy is the ability to locate, use, summarize, evaluate, create, and communicate information while using digital technologies and mobile platforms; and to engage safely, responsibly, and ethically in online communities and networks.

The Teaching & Learning Photo Challenge!

Show us your digital literacy skills and create your ideal learning environment.

To start, choose one of these two photos. Download the photo from the link provided:

classroom image download link: [classroom-photo-challenge](#)

VR image download link: [VR-photo-challenge](#)

Using your own pictures or images from the internet (be sure to check for copyright), edit

this image to show your ideal learning environment.

Once finished, save your photo as a .jpg or .png file and email it to Academic.Newsletter@senecacollege.ca. Include your name, email, and title of your picture. We may publish your photo in the next Academic Newsletter.

A prize winner will be randomly-selected from all entries.
