Dr. Ken Alford from Brigham Young University compiled the best teaching advice he received throughout his teaching career for Faculty Focus.

Some of his tips include:

- Let your students get to know you
- Help students get to know each other
- Always be learning
- Front-load relevance
- There is power in examples
- Help students see their potential

For more details, and to read all of his tips, see the [Eureka! An Accumulation of the Best Teaching Advice](#) article from *Faculty Focus*.
