

Student Assessment

Version 5

Published 2/8/2021 by [Anonymous](#) Last updated 12/1/2023 1:39 PM by [Jamara Romero-Gennings](#)

Effective and timely feedback is critical in the learning process. Seneca's **Student Assessment Policy** provides a framework to support consistent assessment and evaluation practices across the college. Ensure your course assessments assess the course learning outcomes and align with the principles outlined in this policy. Contact your program area if you have any program-specific questions on assessments. Faculty can also visit [Teaching and Learning](#) for various resources and guidelines for [creating assessments](#).
