

The Faculty of Arts serves up for our students (virtually)

The Faculty of Arts has collected an array of delicious recipes from Seneca students and employees in an effort to raise funds for the COVID-19 Relief Support Bursary.

They will continue to collaborate with students and employees to put together the Tastes of Home cookbook - a collection of diverse and cultural recipes that evoke the feelings of home-cooked family meals. You can [pre-order your digital copy here](#).

Students and employees are encouraged to be sure their favourite family recipe is included by sending a photo and details to eli@senecacollege.ca before February 26. The cookbook will be distributed digitally to customers the week of March 15.
