

Students Participate in Gratitude Challenge

Published 2/24/2021 by [Caterina Ventrella](#)

The School of English and Liberal Studies, in collaboration with the Seneca Student Federation has presented our students with the Gratitude Challenge.

Our students have accepted the challenge to express what gratitude means to them and share their Seneca experiences. You can see a small sample of how they are sharing their thanks [here](#).

Please support their challenge with a donation. All funds support the Campaign for Students Endowed Bursary and we are grateful for any donation amount.

[Donations over \\$20 will automatically receive a charitable tax receipt. Support their challenge here](#)
