

Virtual Escape Room presented by Student Services

Published 2/12/2021 by [Caterina Ventrella](#)

Student Services will host a Virtual Escape Room on February 26 to collect donations for the Campaign for Students Endowed Bursary.

Can you beat the clock to help our students? Participants will need to use their wits to solve various riddles, brain teasers, math/logic problems, and other creative “out-of-the-box” challenges. Get through the room to come out victorious. Which team will prevail as the champion?

Participants are encouraged to form their teams at a minimum of 3 to a maximum of 10 people. Each individual team member [should register and donate here](#), and the team captain should email [Shazeela Nabi](#) before February 25th **with the team name and email of each team member**. Participants will receive the event link in their donation thank-you email.

Donations over \$20 will automatically receive a charitable tax receipt.
