

Achievements from the Faculty of Arts

Published 6/22/2020 by [Ashley Ribbel](#)

in the **June 2020 issue**

In his book, *A History of Political Thought Property, Labour and Commerce from Plato to Piketty*, **Jeffrey Bercuson**, School of English and Liberal Studies (NH and MK), attempts to understand market society by surveying the ideas of its most perceptive observers – critics and defenders – from ancient Greece to the present day. It's being published by U of Toronto Press in October.

Select publications from **Howard Doughty**, School of English and Liberal Studies (SY and KG)
