Episode 2: Using Microsoft Teams to Increase Engagement and Community in Your Class

Published 2/18/2021 by Ashley Ribbel

Welcome to episode two of Teaching and Learning Stories from the Field, a new podcast from Seneca's Teaching & Learning Centre. This week we will hear about using Microsoft Teams in the classroom and beyond from Jason Dojc, from the School of Marketing, and Kirsti Clarida, from the Veterinary Technician program. Jason and Kirsti will share how they use Microsoft Teams to encourage engagement and community in their courses.

Listen to "Using MS Teams to increase engagement and community in your class with Kirsti Clarida and Jason Dojc" on Spreaker.
