HR Connects

The School of Human Resources and Global Business ran their 20th annual HR Connects: Industry Networking Event on March 11th, for the first time virtual. With approximately 120 students in attendance, this networking event for HR Students hosted 40 HR Professional Guests. The event was graciously sponsored by Seneca Alumni as many of the guests were Seneca Alumni returning to mentor and share their experiences. Students were given an experiential opportunity to learn outside the classroom, to connect and network with HR Professionals from various HR functional areas and gain further appreciation for the field of Human Resources. The HR Connects Event was again another great success for our HR Students at Seneca.
